### FT Quote

“ It is indeed remarkable that MGR born in Kandy to Malayalee parents later made a name for himself as an actor in Tamil films and followed it up by becoming the Chief Minister of Tamil Nadu state. MGR who started acting in minor roles from 1936 got his major break as lead actor in 1947. Thereafter for 30 years till 1977 he was the uncrowned king of Tamil cinema as the biggest box office attraction of them all. He also took to politics and was first elected as a member of the Legislative assembly in 1967. MGR became Chief Minister of Tamil Nadu state in 1977 and remained undefeated till his death in 1987. His life was a rags to riches tale! ”
